How to Edit a Client Profile on your Mobile Device

You can edit contact information for a client in REALM on a mobile device using the following steps:

1. Select **Contacts**  from the menu bar.
2. Select the **layer menu**  and choose the contact type – active, inactive, or disabled – by activating the appropriate bullet. Select the X (or swipe down) to close the layer.
3. Select the client whose information you would like to update.
4. Select the **menu icon** .
5. Select **Edit** from the drop-down menu.
6. An edit client window will appear, update the details.
7. Select **Save**.
