Listing Use Statistics

The **Use Statistics** feature provides insight into the interest shown for a listing. From both your desktop and mobile, you can see how many times a listing has been **viewed, liked, shared, saved and suggested** by others.

How to View Use Statics

1. Tap (or click on desktop) the **Actions** button.
2. Select **Use Statistics** from the drop-down menu.
3. A **Listing Use Statistics** window will open, displaying the data.
4. To close the window, click the **X** in the top-right corner.
