How to Save a Default Search

In REALM you can save a default search. To save a default search:

1. Select the **Avatar** at the top right of the page.

2. Select **Settings.**

3. Select **Account** from the menu.

4. Select the **down arrow** to the right of Account to expand this section.

5. Select the down arrow under **Default Search** and select the desired saved search.

6. Select **Save**.
